

SEEKING PRIME

SOUTHERN CALIFORNIA SITES

► OPERATOR SUMMARY:

Burger Lounge grew out of the idea that a hamburger should not only taste great, it should also utilize healthy ingredients produced in a sustainable environment. BL elevates the hamburger to an art form. Starting with organic grass-fed Tallgrass Beef directly from the grower, fresh cut French fries, house-made onion rings, and home-style-baked buns, BL creates a food experience you will want to experience again and again. Enjoy our fresh-tossed salads, turkey burgers with fresh basil and a vegetarian burger made from organic Quinoa. BL also offers premium milkshakes, mirco-brews and premium wines. Currently Burger Lounge operates 4 locations in the urban core of San Diego, CA and is seeking additional sites throughout Southern California for their expansion.
